Cheri Carter - Principal

Dear St. John the Evangelist Catholic School Friends and Supporters,

It has been my honor to serve as the principal of St. John the Evangelist Catholic School since January 2023. Since our founding, St. John Catholic School (SJCS) has been tremendously blessed with generous support from our community. This support is absolutely critical to ensuring that we can continue to provide a high-quality education for our students. Through faith formation, academic excellence, and service to others, our students make a positive impact in our community.

Approximately 80% of the school budget depends on tuition revenue and parish support while the remaining 20% is made up from fundraisers, donations, and sponsorships from the Valdosta-Lowndes community. Your contributions allow us to provide the most reasonable tuition costs to families, to maintain our facilities, and to provide a quality faith and academic education for our students. The fact of the matter is without philanthropy, SJCS would not be the standout school it is today.

Enclosed is a brochure containing information about our school and sponsorship opportunities. In addition, a sponsorship commitment form is included that outlines the different levels of sponsorships and donations. Gifts of all sizes make an immense difference in the lives of our students. By making your gift today, you are helping SJCS stay faithful to its mission and continue shaping tomorrow's leaders.

I humbly ask that you take a moment to review the opportunities and consider joining us as we collectively invest in the power of St. John the Evangelist Catholic School and its educational mission. We are counting on your donation to help our Eagles Soar to New Heights.

Respectfully yours,

Cheri Carter
Principal
